Summer 2015 ACTION Newsletter

Message From The President:

by Robert Kettering

We are excited to report that ACTION of PA is continuing to make progress in developing our state wide organization. In the very near future, Berks County is expected to become the newest chapter of ACTION. Many thanks to Gwenn Alexander, who is leading the effort and spending many hours to help establish these new chapters. Each additional ACTION chapter helps us increase our effectiveness at the local level as well as at the state level. Obviously, each new chapter allows us the opportunity to connect with new voters in that county. We can send them information on candidates and upcoming events and as each chapter hosts local breakfasts and other events, members are introduced to candidates and to other like-minded individuals in their area.

The strength of ACTION is that each chapter is organized at the county level – a truly “grass roots” organization, but then when we have the chance to vote for state wide candidates such as governor or U.S. Senator, we have the opportunity to unify behind one candidate. With the addition and strength of each local chapter, we are truly becoming an effective state wide organization. I can say with certainty that wherever an ACTION chapter has formed it has had a positive influence on that county. In other words, as Christians become involved in the local political process, more godly candidates are elected. We have seen this result in every county that has an ACTION chapter.

It is truly exciting to see what God is doing. Because of the growth that we are experiencing, there is one detail that I want to address to our members here in the Lancaster Chapter. It has to do with our mailing list. Since we began ACTION many years ago, we have always been very protective of our mailing list. Although we were asked many times, we never gave out our mailing list to other organizations. This is still the policy of ACTION of PA, however, Lancaster County members should be aware that since we are now part of a state-wide organization, you will be receiving mailings from ACTION of PA (such as information on State-wide Candidates, etc.) in addition to the usual mailings from the local chapters (such as the newsletter, voter guides, etc.) If for any reason, any member of the Lancaster Chapter does not want their name and address to be added to the ACTION of PA mailing list, please contact us and we will honor your request.

In closing, let me thank each of you for being a member of ACTION. Because of your support and each of us working together, we are making a difference.

“The only thing necessary for the triumph of evil is for good men to do nothing.”

Texas A&M Study Rated Obama 5th Best President in America's History.

From a total of 44 US Presidents: Obama is rated as the fifth best. The A&M's Public Relations Office released this statement:

"After almost six years in office, Americans have rated President Obama the fifth best President ever."

These are the details according to Texas A&M:

1. Reagan & Lincoln tied for first,
2. Twenty three presidents tied for second,
3. Seventeen other presidents tied for third,
4. Jimmy Carter came in fourth, and
