## October Breakfast Will Feature Governor Tom Corbett

Plan now to attend the next ACTION Breakfast scheduled for Saturday, October 11th at 8:00am at the Enck's Catering Facility (formerly Kreider's Restaurant) located at 1455 Lancaster Road (Rt 72) in Manheim. Our guest speaker will be Governor Tom Corbett. Governor Corbett will be facing democrat Tom Wolf this November. On the social issues, Governor Corbett and Tom Wolf could not be further apart. On the life issue, Governor Corbett has been a solid supporter of life, while Tom Wolf is pro-abortion, supports taxpayer funding of abortion and even taxpayer funding of gender re-assignment surgery for state employees. (see more comparison of these two men on Pg. 2)

We are delighted and honored to have the Governor for our October quarterly breakfast. We hope that you will be able to join us for this special event.

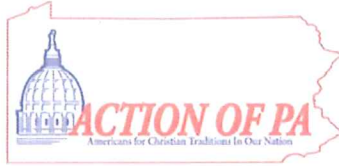

Since his inauguration as Governor of the Commonwealth of Pennsylvania on January 18th, 2011, Tom Corbett has been fighting for the people of PA. By reducing spending for the first time in 40 years, cutting government waste and fraud, balancing state budgets without borrowing more or raising taxes on the middle class and opening up the Marcellus Shale for responsible exploration and development, PA was able to close a \$4.2 billion budget deficit, invest unprecedented funding in public education, create over 150,000 new private sector jobs and is on the verge of uncharted economic prosperity. Tom Corbett has dedicated much of his life to serving others. After graduating from college, Tom spent a year as a civics and history teacher at Pine Grove Area High School in Schuylkill County. A few years after graduating from law school, Tom was hired by the Reagan administration as an Assistant U.S. Attorney for the Western District of PA, focusing on organized crime and drug enforcement. He was also one of the first members of President Reagan's National Drug Task Force. In 1989, following several years of private law practice, he was appointed as the United States Attorney for Western PA by President George H.W. Bush.

A lifelong Pennsylvanian, Tom was born in Philadelphia and raised in Shaler Township outside of Pittsburgh, where he attended high school. He obtained his undergraduate degree from Lebanon Valley College in Annville, PA and his law degree from St. Mary's U. School of Law in San Antonio, Texas. Tom also served his country and Commonwealth for 13 years as a member of the PA National Guard's 28th Infantry Division, before retiring as a Captain in 1984.

Tom Corbett and Susan Manbeck of Pine Grove, PA were married in 1972. They continue to reside in Shaler Township in the same home in which Tom grew up and have been blessed with two children, Tom and Katherine, and a grandson, Liam.

The cost for this breakfast is \$25 per person. To make you reservation, call the ACTION office at (717) 569-0148 or email Kirk Radanovic <[klakrad@dejazzd.com](mailto:klakrad@dejazzd.com)>

## Compare the Gubernatorial Candidates

Issue	<b>Tom Wolf (D)</b> 	<b>Gov. Tom Corbett (R)</b> 
<b>Abortion</b>	<b>Strongly pro-choice</b> and would oppose any legislation that places “unnecessary restrictions” on abortion. Promised to rescind any restrictions on abortion made by Corbett.	PA is one of the <b>Top 5 “Most Protective States for Life”</b> by Americans United for Life under Gov. Corbett’s leadership. Enacted legislation requiring abortion facilities comply with medical regulatory & inspection standards.
<b>State Funding</b>	Supports the use of taxpayer money to cover the cost of gender reassignment surgery for state employees.	Signed into law HB 818 which <b>eliminated abortion funding in PA under Obamacare.</b>
<b>Education</b>	<b>Supports condom distribution, the teaching of gender identity, birth control, and sexual orientation in public schools.</b>  Opposes school choice.  Criticizes charter schools.	Opposes certain types of education that are the proper realm of the family to discuss & should not be forced upon a child in a way inconsistent with the family’s values.  <b>Provides more for education than any other time in our state’s history;</b> ranks in the Top 10 of all states for funding public education, even after almost \$1 billion in federal stimulus money ended.
<b>Jobs</b>	<b>Outsources his PA company’s manufacturing</b> to other states.  Opposes right-to-work legislation.	<b>More than 184,000 private sector jobs have been created</b> since 2011.  <b>Prevented the closing of three PA oil refineries,</b> saving thousands of jobs. <b>Unemployment dropped 2.4 percentage points.</b>
<b>Marcellus Shale</b>	<b>Wants to impose additional taxes which would cripple this important PA industry and lead to higher energy costs.</b> Would jeopardize ethane supply and deter companies from investing here.	Already <b>Marcellus natural gas industry has paid PA over \$2.2 billion</b> in state taxes. Drillers have also paid over \$400 million to help with critical local projects.  <b>Over 240,000 PA jobs</b> are supported by the rapidly growing natural gas industry.
<b>Taxes</b>	Supported Rendell’s proposal to raise the sales tax, which the legislature later opposed.  <b>Wants to raise income taxes.</b>	<b>Eliminated a \$4.2 billion deficit without raising state income taxes.</b>  2014 transportation bill eliminated liquid fuel 12-cent gas tax. Funding enables repairs to roads and bridges.
<b>Endorsements</b>	<b>NARAL Pro-Choice America</b> – a radical abortion group that supports late term abortions; <b>Planned Parenthood</b>	<b>ACTION of PA; LIFEPAAC, PA Pro-Life Federation, National Right to Life Committee; PA Chamber of Business and Industry</b>

# State funding for public schools has actually increased every year since Corbett took office in 2011.

Democrats have been saying that Governor Corbett cut funding to our schools. The graph above clearly shows that this is not true, the stimulus money was a one-time event.
