Lancaster United For Life

Mission Statement: "Lancaster United for Life believes in the sanctity and dignity of all human life and exists to cultivate a culture of life, and peacefully and legally stand against the establishment of abortion in Lancaster County."

In 2001 Lancaster United For Life was instrumental in protecting the lives of women and their preborn babies through legal, medical and community efforts by peacefully and legally challenging the right to perform abortions in Lancaster County. We stand against the nation's largest abortion provider, Planned Parenthood (PP), and those who would endanger lives under the false claim of "health care."

With PPs return to Lancaster, LUFL has also returned to organize and facilitate spiritual, legal, and practical means to compassionately defend and support the preborn and their families. Energized by the overturning of Roe v. Wade and the subsequent wave of pro-life legal protections throughout the country, residents seek to partner with life-affirming groups across Lancaster who serve moms and their babies, families, women, men, and youth with dedication and excellence in care.

The organization educates by raising community awareness regarding the establishment of an abortion facility in our community, the harm caused by abortion to the preborn child, women, men, families, and society, and community resources available to those experiencing an unintended pregnancy. A mobilized community will express the long-held pro-life values of our community and voice opposition to conducting abortions in our community. Events and campaigns for legally and peacefully opposing abortion will engage and uphold the sanctity and dignity of all human life.

Visit our website which contains Our Story on the historical local defeat of PP, current News and Media, abundant Lancaster Resources for pregnancy, adoption, medically sound real women's health care and post-abortive healing care. Research shows human development in the womb and uses science to disprove the myths claimed by pro-abortion advocates. Contact us to volunteer or join our mailing list.

LUFL also sponsors a pro-life Forum to develop new strategies and increase synergy between our many faith-based and secular organizations standing courageously to end abortion in Lancaster and around the world.

ACTION STEPS

- Pray individually and in fellowship and encourage faith leaders to speak for the protection of humans in the womb.
- Sign up for our free mailing list to stay informed about news, events, and actions you can participate in to help eliminate abortion in our community and maintain a culture of life in Lancaster County.
- Legally and peacefully vigil and provide sidewalk counsel at an abortion facility.
- Attend events that rally support for a culture of life and that send a message that Lancaster County residents oppose the establishment of any facility that does chemical or surgical abortions in our community.
- Invite a speaker to your church or organization to educate and share information on abortion and how residents can help stop abortion in our community.
- Share your story and Christian values through letter writing, phone calls and community pro-life campaigns.
- Donate and volunteer for organizations that compassionately support/subsidize families in and beyond an unplanned pregnancy including pregnancy resource centers, counseling and parenting education, fostering and adoption agencies and post-abortive ministries. JOIN US FOR BREAKFAST!

Lancaster County ACTION Quarterly Breakfast Meeting

Saturday, April 8, 2023 8:30 AM - 10:30 AM

Eden Resort - Presidential Ballroom - 222 Eden Rd, Lancaster

Our Speaker: Rachel Wilson-Snyder

Topic:

What is happening in our schools and how did we get here?

Why are test scores declining and behavioral incidents increasing? Why is sexually explicit or obscene content available in schools? Has critical race theory gone away or have its Marxist roots been rebranded?

Why are more parents saying their rights are ignored while some even claim their children’s gender transitions have been hidden from them.

About the Speaker:

Born and raised in Lancaster County, Rachel Wilson-Snyder still resides here today, where she has enjoyed working in the mental health field for over twenty years. Rachel enjoys helping people become who they are meant to be and seeing healing and restoration. She is a proud momma bear to twin teenage boys. They have grown to be strong and healthy following God’s blessing on the family through some difficult times and major medical issues around their birth and early development. Today Rachel enjoys spending time in the Word and diving into God’s role in our nation’s founding, learning more about America’s history and all that has been removed from our history textbooks, and studying the shift in our public schools to Marxism. This is what brought Rachel to lead as a Chair of the Moms For Liberty Lancaster Chapter – seeing all that has been stolen from us as Americans and hoping to reunite others with their true inheritance. The schools, k-12, seem to be where most of this spiritual battle is unfolding today and that is where Rachel plants her flag in the sand.

Please reserve your seat at the quarterly breakfast by calling the ACTION office (717-847-0902) or emailing LancoAction@gmail.com by Monday, April 3, 2023.

The cost is \$20.00 per person and may be paid by cash, check or zelle. Pre-registration is strongly encouraged.
