## **Republicans Win Control of U.S. House by Robert Kettering**

Well it wasn't the big red wave like we hoped for and they didn't win control of the senate, but republicans did win control of the U.S. house of representatives and that is a huge win! It will mean the end of the radical Biden agenda and it's out of control spending and it will also result into opening some investigations into the corruption that has been ignored for the last two years and hopefully some accountability will be forthcoming.

In January, Representative Jim Jordan will become the chairman of the powerful House Judiciary Committee and he has promised to investigate big techs involvement in the 2020 presidential election, the Justice Department, Hunter Biden's business deals, and the crisis at the southern border. In a recent interview Jordan stated, "I think there are all kinds of questions that need to be answered, and we're determined to get there."

Regarding the Justice Department, Jordan said, "America isn't America if you have a Justice Department that's political, and it's not Jim Jordan who's alleging that it's political, it's 14 F.B.I. agents who have come to us and told us that's the case. They've come to us as whistleblowers." He also wants to investigate the Department of Homeland Security's handling of the southern border, he wants to shine a spotlight on the record numbers of migrants crossing into the U.S. From Mexico. He claims the Biden administration has overseen "the intentional surrender" of the border in a premeditated fashion. "I don't know why they would do it in a premeditated, intentional fashion, but there's no other – any rational or logical person has to reach that conclusion when you look at the numbers and the volume of people who are just coming into our nation."

As chairperson, Jordan can issue subpoenas and call for testimony and documents from government officials. He's already written to Homeland Security Secretary Alejandro Mayorkas demanding his cooperation.

Please pray for this new congress and that God would use them to help bring our nation back to him.

*"The only thing necessary for the triumph of evil is for good men to do nothing."*

# Merry Christmas and Happy New Year!

## Isaiah 9:6-7 (New King James Version)

For unto us a Child is born,  
Unto us a Son is given;  
And the government will be upon His shoulder.  
And His name will be called  
Wonderful, Counselor, Mighty God,  
Everlasting Father, Prince of Peace.  
Of the increase of His government and peace  
There will be no end.
